Puligny Montrachet 1er Cru

LES PUCELLES

VINEYARD

The vineyards are located in the village of Puligny Montrachet, south of the Côte de Beaune. The climate "Les Pucelles" is one of the most prestigious 1er Cru of Puligny. Located in the northern part of the village near Bienvenues Bâtard Montrachet.
Clay and limestone.
Chardonnay. The pruning is done in Guyot with various green jobs (disbudding, trellising, topping). The average age of the vines is 50 years.

VINIFICATION

Manual harvesting, sorting on vines. In the winery, after a slight crushing, the grapes are pressed using our pneumatic presses. Following a slight settling, the grape must is put into 228-liter French oak barrels (15% new barrels) in which alcoholic and malolactic fermentations will take place in yeasts and indigenous bacteria. The aging is done on fine lees for 18 months. Without mashing. A month before bottling, the wine from the different barrels is racked in vats. Bottling according to the rhythms of the lunar and biodynamic calendar is preceded by a slight fining and a slight filtration.

TASTING NOTES

A nose of white fruits, florals and minerality exude a smooth palate, powerful, dense with a beautiful salinity, a lot of energy.

PAIRINGS

Fish, shellfish, prawn risotto, white meats accompanied by a cream sauce and cottage cheese.
